Setting of a New Maximum Purchase Price for Own Shares

IDEAL HOLDINGS S.A. (the "Company"), further to its announcement dated 9 November 2026, announces that its Board of Directors, by its resolution dated 11 November 2026, set the new maximum purchase price for own shares at **€9.00 per share**, instead of €7.00, within the framework approved by the Annual General Meeting of Shareholders held on 5 June 2025.

Accordingly, the calculated maximum aggregate consideration for the purchase of all 1,716,396 shares under the mandate at the maximum purchase price now amounts to **€15,447,564**, compared with **€12,014,772** previously.

The minimum purchase price remains €4.00 per share. All other terms of the mandate to Piraeus Securities S.A., including its duration and quantitative limits, remain unchanged.
